

**With gratitude, in memory of Rolland and Mary Farnsworth
for their kindness in establishing a Charitable Gift Annuity
to benefit the work of International Ministries.**

We wish to express condolences to the family and friends of Rolland Farnsworth who died, Sunday, June 28, 2020 at the age of 101. He was preceded by the passing of his wife Mary Farnsworth at age 97 on September 19, 2018.

They met at Central Baptist Church in Spokane, WA in 1938 and were married there in March 1942, a marriage that lasted 76 years. Except for four years during WWII, they lived in Spokane and were active members of Central Baptist. Mary taught Sunday school, was in women's groups, sang in the choir, served on church boards, and active in many other ways.

Rolland was choir director for 37 years and taught adult Sunday school for nearly 40 years. They travelled to missions in Haiti and Kodiak Alaska and made a trip to the middle east.

During their lifetimes they made a wonderful provision to have a lasting impact on the ministries that were meaningful during their lives, which included a Charitable Gift Annuity with International Ministries.

International Ministries wishes to express our gratitude for supporting global mission and for their thoughtfulness in establishing this gift.
