Managua, Nicaragua May 14, 2024.

Rev. Dra. Sharon T. Koh
Executive Director
International Ministries, American Baptist Churches USA

Dear Sharon
Receive fraternal greetings from the Council of Evangelical Churches of Nicaragua (CEPAD-Nicaragua).

We want to express our best wishes to International Ministries on May 21, you will be celebrating the 210th anniversary, demonstrating your hard work in proclaiming the Kingdom of God of justice, peace, and abundant life. As the Book of John 12:26 states, “Whoever serves me must follow me; and where I am, my servant also will be. My Father will honor the one who serves me.”

For several years, CEPAD and International Ministries have walked together, contributing to the execution of emergency projects in the country and with biblical themes aimed at pastors, leaders, and young people who have been strengthened in their spiritual lives. That is why we feel as joyful as you do because the Lord Jesus has blessed you and will allow you to continue serving many more years to help many families in different countries around the world.

We will keep praying for International Ministries, its global servants, and the partnership we have been building for many years. May God bless you all, and for the next event you will hold for your anniversary.

May the peace of Christ be in your hearts.

Fraternally,

Emily Reyes
Executive Director
CEPAD Nicaragua.

Sister Merys Lilian Reyna Parrales
