Dear Rev. Dr. Sharon T. Koh & the International Ministries Staffs,

Greetings in the precious name of our Lord and savior Jesus Christ !

Congratulation on the 210th anniversary celebration of the International Ministries. We are honored and excited to be part of this joyous event.

International Ministries has been our faithful and supportive partner in the past twenty years. Together we serve the impoverished churches and ministers in the rural and mountain regions of mainland China. This partnership enables disadvantaged ministers in the village churches to leave their farm works and devote in serving the Lord in a full time capacity. The generous grants we received from International Ministries also provided assistance in the construction of new churches and the purchases of church equipments. More than eighty church ministers over thirteen provinces in China were benefited by these fundings each year. We praise God for this cooperative effort in reaching out to this underserved population in China and pray that we can continue to serve God and further His Kingdom.

The F/2 International Foundation is grateful to have International Ministries as partner in the China ministries. May God's wonderful grace and blessings be upon them always!

“Go into all the world and preach the good news to all creation.” (Mark 15:16)
