Greetings from the North East Christian University, Nagaland, INDIA.

The North East Christian University (NECU) in Nagaland, India, congratulates the International Ministries on the occasion of its 210th Anniversary. It is truly commendable that it has stood the test of time and has effectively not only sustained but built itself into a world body that works cross culturally to impact peoples and nations to know the reality and love of Jesus Christ.

Even our University (NECU), which is located in fairly remote region of India, has found a place for attention and support of the IM Ministries. In particular, the University received support to complete one floor of its academic building, the foundation for a planned four storey building, one Boys' Hostel of Palm leaves and bamboo, and some support for the ongoing building of the Centre for Advanced Religious Studies. Such support has made a tremendous difference in the University being able to move forward faster and reaching its goals of developing upright citizens who are Doers of the Word.

The North East Christian University wishes you a successful and joyful Anniversary celebrations and pray that God will continue to watch over you and empower you in His Ways.

With warm regards,

On behalf of the Governing Council, the Students, faculty and staff of the North East Christian University,

(Darlando Khathing)
