

May 2, 2024

Dear Rev. Dr. Sharon Koh / International Ministries,

On behalf of SAT-7 International and our office in the states, SAT-7 USA, it is my privilege to extend a hearty congratulations, as unto the Lord, to International Ministries for its amazing 210th Anniversary.

SAT-7 International, broadcasting Christian teaching in Arabic, Farsi, and Turkish throughout the Middle East and North Africa, including Tajikistan and Afghanistan, has been a partner with International Ministries since our earliest days some twenty-eight years ago.

Recently, SAT-7 received this marvelous testimonial from “Nasim,” a young woman in Iran: “Despite rejection by my dad, I experienced the embrace of the Father when I came to faith in Jesus Christ. I sensed His embrace when I was facing arrest and interrogation, and when I had to choose between Christ and my family. The warmth and security of His love are such that I am not praying, ‘If possible, let this cup pass from me,’ but, ‘Despite this cup, please hold me closer.’ My experience of the Father is security, peace, comfort, and patience.” Nasim is the kind of isolated believer it is SAT-7’s privilege to encourage in the faith.

SAT-7 is grateful to co-labor with International Ministries in the Lord’s work to share the Gospel, to disciple new believers in the richness of the Word of God, and to assist the Church in working toward God’s justice and peace.

The remarkable spiritual impact of International Ministries’ historic and ongoing mission activities is worthy of remembrance and celebration. It is a wonderful time to praise and thank the Lord for his will and work through International Ministries and its many faithful servants.

Thank you, International Ministries, for responding to the Great Commission, for sending workers into the fields white unto harvest, and for not becoming weary in doing good.

May God be pleased to continue to work through International Ministries,
