Ministering Through Theological Education

MERCY GONZÁLEZ-BARNES

Mercy González-Barnes is a regional consultant in theological education and leadership development in Iberoamerica and the Caribbean. Mercy teaches, mentors, and walks alongside men and women who are following God's call in their lives. She works with colleagues and local leaders to provide resources, retreats, and workshops. Mercy is also part of a team of global servants who collaborate with Palmer Theological Seminary in their online master's degree, offering theological studies in Spanish. Online learning makes higher education accessible to many people from countries in Iberoamerica and the Caribbean.
