Hello!

As you may know, in September and October our church dedicates time toward awareness, advocacy, and action for global mission as part of the **World Mission Offering**. We can participate in God's work around the world in partnership with **International Ministries (IM)**, a cross-cultural mission agency with a long heritage in the global mission movement.

This week, I want to give you the opportunity to see first-hand the impact our church has when we partner with IM global servants through our finances and prayer.

[Please click this link](#) to hear from IM Executive Director Sharon Koh as she shares why the World Mission Offering matters and how global servants are meeting the needs of immigrants and refugees, vulnerable women and children, and students in Mexico.

As you watch, I want to encourage you to prayerfully consider how God might be calling you, your family, and our church to participate in these life-transforming ministries.

With blessings,

[church pastor or mission chair]
