Hello!

Last week I shared with you a brief video from International Ministries' Executive Director Sharon Koh in recognition of the World Mission Offering.

This week, I want to share with you the **International Ministries (IM) Leader's Guide**, which includes a prayer calendar written by IM global servants. You can [download a copy here](#).

As you pray these prayer requests from IM global servants, you partner with them in sharing the gospel, in discipleship and education, in ministry to survivors of domestic abuse, in peacemaking, and in so much more.

Would your small group commit to praying a few of these prayers each week when you meet? Can your family pray one of these prayers each night at dinner?

Amazing things happen when we partner in prayer. May God use the people in our church to bless the work of these faithful servants around the globe.

With you in mission,

[church pastor or mission chair]
