

SAMPLE EMAIL 3

Hello!

As we continue this month dedicated to the World Mission Offering, will you take just a few minutes to watch another short video showing the impact our church can have when we partner financially with International Ministries?

Our gifts through the World Mission Offering make it possible for IM global servants in 70+ countries around the globe to share God's word and the love of Jesus Christ. **Meet IM Global Servants Mercy González-Barnes and Jae Stockton, who are equipping seminary students and future leaders through theological training in Mexico.**

[Please click here to watch the video.](#)

We can become partners in the work God is doing through ministries that extend far beyond our church. How might God call on us to take part in this life-transforming work?

Together with you in mission,

[church pastor or mission chair]
