Hello!

As we continue this month's dedication to the World Mission Offering, I invite you to learn more about **IM Global Servants Deliris and Moise Carrión-Joseph, Sarah McCurdy, and Ray Schellinger**. In this short video, see how our partnership with IM can transform the lives of immigrants and refugees, survivors of domestic abuse, students, and children in Mexico.

Our gifts through the World Mission Offering make it possible for 120+ IM global servants to share the love of Jesus Christ around the globe. **Is God igniting a burning in your heart for global mission? Let us partner through our finances and prayer in the work God is doing in ministries around the world.**

Together with you in mission,

[church pastor or mission chair]
