KIHOMI NGWEMI & NZUNGA MABUDIGA IN MINISTRY!

KIHOMI and NZUNGA serve as a vital link between International Ministries and the Haitian Baptist Convention. They preach in churches and serve through a variety of ministries. Nzunga teaches theology at the Christian University of Northern Haiti, trains assistant professors and administers a scholarship program for elementary- through university-age students. He manages the goat and pig projects for children, the clean water project for communities and the Cap-Haitien Eye Clinic. Kihomi works in counseling, women's health, community health evangelism and economic development. She coordinates and advises the women's association of the convention, representing women of all the Baptist denominations of Haiti at international conferences.
