India - Nursing Students

SUPPORT RAISED

INDIA

GOAL

This project seeks to raise \$15,750 to provide three students in Northeast India's Tea Garden with a nursing education.

SUMMARY

The Assam Baptist Convention wants to assist its young people by sending one young man and two young women to nursing school in the capital city of Guwahati.

DESCRIPTION

The state of Assam is nestled in Northeast India, the “Tea Garden” area. The level of education available to day laborers is very low and the economic condition of the people is insufficient for their needs.

The nursing school program in the capital city of Guwahati is 3½-year diploma program in General Nursing and Midwifery. The total cost one student scholarship in the program is 210,000 rupees, or about \$5,250 U.S. dollars—a fortune for tea laborers. The Assam Baptist Convention will cover this cost, which includes housing and tuition, and students’ families will pay for their meals.

This project will be managed by the General Secretary of the Assam Baptist Convention R. K. Raychawdhuri.
