## Pray for Mercy Gonzalez-Barnes helping meet educational and theological needs in Latin America.

BOB SANTILLI

Mercy has been serving as a missionary with International Ministries since she was commissioned in 2000. Fifteen years later, her ministry has entered an exciting period of transition as Mercy's role has evolved from one of local mission work in Mexico to one of regional work.

She now takes the experiences and skills accrued through 13 years of teaching, mentoring and walking alongside men and women who have felt the call of God and applies them to a wider ministry of responding to diverse educational and theological

needs in Latin America. In addition, Mercy will be part of a team walking alongside the ministry of Cuban Baptists.

Mercy writes, "I am responding to this new call and emphasis in my ministry with fear and trembling, but also with excitement as I am also being stretched to continue to grow and to be aware of the many diverse needs of our Latin American partners. This is an exciting time of change in Cuba, and in that spirit I continue to ask for your continued support of this ministry and for your prayers as our family transitions to this new responsibility."
