

## JOURNALS POSTED ON NOVEMBER 27, 2017

**Ready to Go** 

You may already know about the life-changing work that IM's global servants are doing around the world. But did you know that, for each person serving through IM now, there's someone else who has heard God's call and is talking with IM staff about how best to respond?

We can't send *everyone* who comes to us with an interest in full-time global mission—but with your help, we can send *more*.

With your prayers and financial support of the <u>Ready to Go</u> fund, you can help us prepare, send and support new global servants whose lives and work will make a difference for years to come.
