Spring Fling!

SUPPORT PLEDGED

HUNGARY

What an amazing time we've had welcoming spring here in sunny Tégllás. In February we had the annual school charity ball, and I had the great honor of joining the teachers' performance once again. I even got Larry out on the dance floor!

We were delighted to host International Ministries' Zofia Dripps and Ray Schooler. Zofia, Ray and videographer Olivia McCash came to capture footage for the 2019 World Mission Offering—we look forward to sharing photos and videos from our work. Here's a sneak peak:

Another special event we enjoy every spring is Farsang! Farsang is the special dress party for children in Hungary.

We “scare away winter” with fun costumes and games. Brandy, in blue, sings with her classmates.

And perhaps the greatest news this spring is the arrival of our first grand baby, Naya Stanton! Our oldest son, Caleb, and his wife, Nesha, have given us this beautiful little lady. We visited them at their home in Germany.

We thank God for this gift, and we thank God for you! Your loving support allows us to do the work God has sent us to do—and we can continue only with your continued support! We

are currently short of our needed monthly support goal. Please consider increasing your pledge. If you have never joined us in this good work, you can begin [here on our International Ministries page](#). Click the GREEN Give button by the map.
