## White Cross – Palestine Food and Medicine for Refugees

SUPPORT RAISED

EUROPE, THE MIDDLE EAST AND LIBERIA

### GOAL

International Ministries seeks to raise \$3,000 for White Cross in Palestine

### SUMMARY

This White Cross project seeks to raise \$3,000 to provide starving refugee families with meals and medications through the Christian Mission to Gaza in the Middle East.

## **DESCRIPTION**

Christian Mission to Gaza (CMG) focuses on sharing God's love with refugees who have fled persecution in Iraq and the war in Syria. Tens of thousands arrive daily with only the clothes on their back and what little they can carry. Nearly two million people are starving and basic food staples are in short supply. A tank of gas costs two months wages and unemployment is the norm.

The ministry of CMG helps the poorest of families with food like cheese, canned meats, oil, rice, beans, honey and milk. Nearly 80% of people in Gaza rely on charities to survive. CMG also provides some basic medicines to alleviate pain and suffering.

Working with Hanna Massad, pastor of the only Baptist church in Gaza, CMG helps 150 refugees families.

This project will be managed by our partner the Rev. Dr. Hanna Massad of the Baptist Church in Gaza.

## **SUGGESTED GIFTS**

\$100 will provide two families (family of five) meals for two weeks

\$250 will provide five families (family of five) meals for two weeks

\$500 will provide ten families (family of 5) meals for two weeks.

## **PRAYER REQUESTS**

Please pray for continued financial support to provide food and medicine for the refugees in Gaza

Please pray for increased freedom for CMG personnel to share with these families about the God of Love.
