Your Gift to IM on Giving Tuesday Can Be Matched!

CATHERINE NOLD

Tomorrow is Giving Tuesday! Are you ready?

This Giving Tuesday, Facebook will match \$7 million in donations given to nonprofits through Facebook's charitable giving tool, up to \$250,000 per nonprofit and \$20,000 per donor. To have your gift to IM matched, you must act fast on **Tuesday, November 27**. (In 2017, matching funds ran out in under five minutes!) Just [click here](#) on Tuesday at 8:00 AM (EST) and select the donate button! Facebook will match your gift at 100% for as long as the funds last.

Every gift, no matter what the size, is meaningful. Even after match funds run out, your gifts add up and allow IM to do more than we can do alone. God will use your gifts to impact the

world with the gospel “to bring good news to the poor. . . bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound.” (Luke 4:18)

Thank you for the kindness of your gifts on Giving Tuesday and throughout the year. Your gifts help to build the kingdom of God through IM, on earth as it is in heaven. (Matt. 6:10) To give at any time on IM’s website, [click here](#).

November 27, 2018

Giving Tuesday is a global day dedicated to philanthropy during which people come together to give back to the causes that they care about.
